FARMER'S RICE COOPERATIVE ANNUAL MEETING

Morrison Founder Brent Morrison caught up with rice industry leaders at the Farmer's Rice Cooperative Annual Meeting this November. Photographed above is Brent and Sun Valley Rice CEO Ken LaGrande.

AMERICAN SOCIETY OF FARM MANAGERS AND RURAL APPRAISERS (ASFMR)

In October, Morrison sent a team of consultants to ASFMR California Chapter's Annual 2016 Fall Meeting in Chico, California. Photographed above from left to right are Morrison team members Carissa Rystrom, Brent Morrison, Shawn Miller, Rod Carter from Agriculture and Business Professionals, Inc., and Morrison team members Tim Peters and Geoff Chinnock.

MORRISON GIVES BACK

The holidays are a season of giving. This Thanksgiving Morrison formed a large team to attend Chico's annual Run For Food that supports The Jesus Center, a local resource center for those living in poverty. For Christmas, Morrison employees paired up to shop for children and families in need to partake in a local church's giving tree program.

CATCHING UP WITH MORRISON CLIENT CALIFORNIA OLIVE RANCH

This fall, a team of Morrison consultants attended a luncheon hosted by the Chico Chamber's Young Professionals Organization (YPO) featuring California Olive Ranch's VP of Agriculture Mayo Ryan. We enjoyed hearing Mayo speak on the olive oil industry and his insights. Photographed are a group of attendees with Mayo, including Morrison Principal Toni Scott (third from the left), Morrison Client and North Valley Ag Services President Mark Pierce (second from the left), and Mayo Ryan (middle). Photo credit: YPO.

CONSULTANTS ON ICE!

We branched out this year and held our annual company Christmas party at the ice skating rink in Paradise, CA. We shared delicious food and comical entertainment as we attempted to skate. It was a beautiful night to remember with family and friends.
